

Network Therapy Scheme

Exclusive Discounts for Sports Clubs

£10 off every treatment for all Network Therapy Members

There's never a good time to pick up an injury. It could result in you being unfit for several weeks. At the Sports Injury Clinic we work closely with athletes to ensure you return to sport as quickly as possible. Your Club has guaranteed you priority treatment with our experienced team should you sustain an injury. This means immediate access to specialist therapists and consultants, no waiting lists, modern treatment facilities and diagnostic equipment to get you back to the sport you love.

We specialise in the treatment of:

- Sporting back injuries
- Muscle spasm, strains, sprains and tears
- Knee, ankle, hip and shoulder injuries
- Tendon injuries
- Tennis & golfer's elbow
- Adolescent sports injuries
